

Mandy Jo Lohrum was proposed for membership in the Greensburg Rotary Club February 9, 2014 by Larry Moore, Foundation Chair, under the category of "Banking". Mandy is Ball State Graduate and started her career at FORUM Credit Union, then started with Fifth Third Bank in 2010. Mandy is a Mortgage Loan Officer at Fifth Third Bank in Greensburg. She has been in the financial field for over 10 years. Mandy has been married to Micah Lohrum for 7 years and they have two children Mackenzie (5) and Mason (1 ½). In her spare time, she assists her husband with Lohrum Electrical.

Mandy's goals as President of Greensburg's Rotary are to have growth in new members and to serve our community. *We must make our club sustainable. To do this we must encourage others with a servant heart to become a Rotarian and serve our community.*

Mandy presented a plaque of appreciation to Deborah Potter for her service as our club President last year. Deborah had to cut her term short as she was unable to attend meetings due to a job change. Past President Sally Koors stepped in to complete the term. Deborah is now in a position to return to meetings and we welcome her back as Past-president!

The gavel was officially passed to Mandy Lohrum by past-president Sally Koors at Monday's meeting. Mandy is looking forward to her year as president and has already set her 10 goals on the Rotary International website. One goal is to increase our membership from our current count of 34 to 40. She also wants to continue with the focus areas set forth at our visioning meeting last October. Mandy sees our club growing and thriving.

Mandy shared with us one of the goals R.I. President Ian Riseley has set – to plant a tree for every Rotarian in the world. We will be hearing more about this from Mandy as the new Rotary year begins. This should be an exciting year for our club as we draw closer to our 100th anniversary!

Britney Dudash, of 5/3 Bank, was inducted as the newest Rotarian in the Greensburg Rotary Club today. Rotary President Mandy Lohrum had the honor of "pinning" Britney.
