Monday's Program

Derek Fischer, registered dietician at Anytime Fitness, presented an interactive program Monday about food labeling. The U.S. Food and Drug Administration has implemented a new Nutrition Facts label for packaged foods. Derek described the changes and challenged members to read and compare the food labels of similar products which he provided. He also talked about portion distortion and the difference between serving size and portion size. Derek is leading twice monthly nutrition classes at Anytime Fitness and can be reached at 812-662-3055 for more information.

July 30 Fifth Monday

Don't forget - on Monday, July 30, we will not have our noon meeting at the hospital. Instead we will meet at Lake Santee for "Rotary after Hours". Jenni Hanna and Diane Hart-Dawson are hosting the event which will begin at 5:30pm at the shelter by the lake office (main beach). Drinks and appetizers will be provided and boat rides will start at 6:00pm. Please bring family members, guests and potential members! Questions, contact Jenni at jhanna@etc1.net or Diane at dianehd@dcfymca.org.

Girls Inc. Donation

Amy Dillon, Carla Schmidt and Mandy Lohrum accepted a \$200 check from Linda Simmons at Monday's meeting. This donation came from our Euchre Tournament proceeds. Girls Inc. of Shelbyville recently started programming in Greensburg and Decatur County. Rotarian Mandy Lohrum is the new Director of Development for the organization.

Power of the Past Parking Fundraiser

We will again be parking cars and manning admission gates for the Power of the Past August 16-19. Mark your calendars now as everyone's help will be needed. Proceeds from this fundraiser will go toward our 100th anniversary celebration and beautification project. (Sign-up sheet attached.)
